

showerhead swap

Terms and Conditions

- **Water efficient showerheads are not suitable for low pressure, gravity fed (in the roof) and some instantaneous or continuous supply hot water systems.** The Water Corporation takes no responsibility for plumbing issues relating to your property as a result of the program. It is the customer's responsibility to ensure the new showerhead/s is compatible with existing systems. If you are in any doubt ask a Waterwise plumber for advice.
- In accordance with the *Residential Tenancies Act 1987 (WA)*, if the property where the showerhead/s is to be installed is rented both the landlord and tenant must agree to the replacement of the existing showerhead/s with the water efficient showerhead/s.
- We recommend you contact a Waterwise plumber to install the showerhead/s visit our [website to find your local Waterwise plumber](#). If you experience any product faults with your new showerhead/s, call 1300 638 483.
- Showerhead Swap is only available to Perth metropolitan residential Water Corporation customers in receipt of an authentic water use account or letter.
- Only Bunnings metropolitan locations are participating in the Showerhead Swap program. For your nearest Bunnings metropolitan location visit http://www.bunnings.com.au/stores_WA.aspx
- The Water Corporation is not responsible for the removal or installation of the showerhead/s, or any associated costs incurred by participating in the Showerhead Swap.
- Your bar-coded water account or letter can only be used once, to swap a maximum of two showerheads. The water account or letter must be presented with the old showerhead/s at the time of the swap.
- Once the showerhead/s is swapped it becomes the property of the Water Corporation and can not be returned to the customer.
- Only a chrome model is available as depicted in the Showerhead Swap brochure. The Recommended Retail Price for the showerhead on offer is \$24.95.
- The Water Corporation will monitor changes in water consumption of participating households. No individual household water consumption details will be made public however statistics at suburb level may be reported.
- The customer agrees to allow the Water Corporation to claim any greenhouse credits applicable to the Showerhead Swap program should a trading scheme in Western Australia commence.
- This offer is only valid whilst stocks last.
- By participating in the Showerhead Swap program you have accepted these terms and conditions.
- This offer is only applicable to the product listed in communications collateral and cannot be used with any other offer or product. This offer is not redeemable for cash. Your barcoded water account or letter must be presented at the Returns and Exchanges desk at any Perth Metropolitan Bunnings Warehouse to claim the free swap.
